

INTERNATIONAL CILT DIPLOMA & ADVANCED DIPLOMA IN LOGISTICS AND TRANSPORT TIMETABLE

- This timetable outlines the dates for your modules if you start for the Jul-Aug 2025 intake.
- The modes of study in this timetable include Face to Face, Virtual (Online live, and eLearning (pre-recorded lessons).
- All modules can also be studied anytime using our comprehensive, fully supported online Distance/eLearning Study Programme.
- If you are a Distance Learning/eLearning student starting in January 2025, we would recommend that you start with the D02 (Supply Chain Management) module. For more information, please contact cilt@supply-chain.academy
- All timings below are South Africa (SAST & CAT) Time Zones.
- Week Commencing dates may be subject to change.
- The Part Time Evening sessions run on the following days; Monday and Wednesday except holidays.
- Virtual Evening and Virtual Afternoon sessions may run on Monday and Wednesday, or Thursday, depending on popularity and availability.
- For the benefit of students, all classes are subject to minimum numbers.

Logistics and Transport Essentials

(Supplementary Course)

The Essentials of Logistics and Transport is a supplementary course that all students are encouraged to attend before commencing their studies. The purpose of the Essentials of Logistics and Transport is to introduce students to some of the key terms and concepts used in Logistics and Transport. [Register here](#) and attach proof of payment of R3350 (\$191) for the live class, course material and course certificate. Registered Students do not have to register or pay for this course, it's already included in the fees for the year.
